STATISTICS for 1961

This volume is designed to provide a 1962 directory for the United Church of Christ, and statistics from local churches of the Conferences and Synods reporting for the year 1961, gathered by Congregational Christian Conferences and Evangelical and Reformed Synods, and supplied to the Year Book Department of the United Church of Christ.

All reports from Evangelical and Reformed Synods contain statistics from local churches all of which have become part of the United Church of Christ.

The Congregational Christian Conference reports indicate clearly those churches which at the time of reporting (I) have voted to be part of the United Church of Christ, (II) those which had not yet voted, and (III) have voted not to become a part of the United Church of Christ.

Statistics for each local church are as last reported before publication.

Every effort has been made to verify the material contained herein, but its accuracy cannot be guaranteed, and its inclusion in this book is not intended for purposes other than a statistical and directional nature.

A UNITED CHURCH OF CHRIST

A1-32

This section contains a Directory of the United Church of Christ, including its Officers, Commissions, Committees, Councils, the elected Board Members and Staffs of the Instrumentalities and Agencies, and a Lay Directory. It also contains important information about the United Church Campus Ministry and the United Church Health and Welfare Institutions.

B YEAR BOOK OF CONGREGATIONAL CHRISTIAN CHURCHES B1-348

This section contains all the materials customarily found in the separate Year Book of the Congregational Christian Churches, including various directories, organizational information, Conference statistics gathered from local churches, and the appropriate Men's, Women's, Missionary and Ministerial listings.

It will be noted that Conferences have reported local churches in three schedules: I. Congregational Christian Churches: part of the United Church of Christ; II. Congregational Christian Churches which have not voted, or which have voted to abstain from voting at the time of submitting the Conference Report; III. Congregational Christian Churches which have voted not to be part of the United Church of Christ. Churches which notified the Year Book Office of votes taken after the Conference Reports were submitted and before final proof was sent to the printers will be found on the Last Minute Revision pages.

It should be noted, also, that some ministers probably will be surprised to find an x by their names, due to the fact that they did not send to their Association registrar, or to the Secretary of the United Church, the cards provided for them to register their desire to be listed as a minister of the United Church of Christ. These forms may still be procured from the Secretary of the United Church at 297 Park Ave. South, New York 10, N. Y.

A Greeting from the President of the United Church of Christ

Dear Members of the United Church of Christ:

You will be happy to find in this Year Book a Directory of the Officers, the Boards, Councils, Commissions and Committee members of the United Church of Christ. We believe that the listing of useful addresses and telephone numbers will prove helpful to you, also. It is really inspiring to see how many people from so many parts of the United States of America are serving the interests of the Church through these various channels of United responsible concern.

Those who were in charge of compiling the statistics for the Conferences and Synods are happy to present herewith the statistical records of the churches for 1961. You will find listed here the accessions, the losses, the amount of money raised for current expenses and for Our Christian World Mission and other valuable statistics. These

statistics are important and are one measuring rod for the growth and stewardship of

One scarcely needs to add that there are many values which cannot be compiled in statistical tables, therefore they are less easily measured but are usually more important. For instance, there is no way in which one can measure the comfort which a church has extended, the hope that has been proclaimed, the fellowship of love and understanding which has been thrown around people within and without the church, the burdens that have been shared, the influence that has been radiated, the crosses that have been borne, the sacrifices that have been made, the fallen who have been lifted. Yet, who would not agree that it is in these ministries that the church makes its life count most, that the church most nearly treads in the feet of Her Master?

Therefore, as we submit the records for 1961 in terms of statistics that can be calculated on an adding machine, we call to your attention that beyond these statistics there are others that can only be written in "the Lamb's Book of Life." We have the assurance that "He who sees the sparrow when it falls and has numbered the very hairs of our heads" also notes these deeds that cannot be included in the statistical table nor calculated in columns.

For good or ill the record of 1961 is in. We are well on the way to writing another record in 1962. Certainly you will share with me the prayer that every year may find us more faithful than the year before, more loyally following Him where He leads and more surely offering the "bread of life" to those who look up to be fed. In this great task each of us has a part. May each of us be increasingly devoted to Him.

Prayerfully and sincerely yours,

BEN M. HERBSTER President, United Church of Christ

ANNUAL STATISTICS OF THE CHURCHES

The statistics are collected by the Registrars of the conferences and compiled in the office of the Secretary of the United Church of Christ. They are of date of January 1, 1962, and cover the year 1961. Changes in pastorates are corrected as far as reported until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries. Money received in any national, district or state office to and including January 10th is credited to the preceding year unless otherwise requested. Persons noting errors are earnestly requested to report the same to the Registrars of the conferences.

In the following pages each church is listed under the Conference or Convention in which it is enrolled. These Conferences and Conventions do not always follow state lines. If you have difficulty in locating a particular church, consult the geographical index page B346, and look there for the state in which the church is located.

For purposes of accuracy and clarification each Conference may present the reports of churches in three schedules:

- I Congregational Christian Churches: part of the United Church of Christ
- II Congregational Christian Churches which have not voted, or which have voted to abstain from voting at the time of submitting the Conference Report.
- III Congregational Christian Churches which have voted not to be a part of the United Church of Christ at the time of submitting the Conference Report.

The tables are not a postal guide. For full names and addresses of ministers refer to alphabetical lists in the back of Section B. Names of church clerks, Sunday School superintendents, church treasurers, treasurers of benevolences and chairmen of boards of trustees and deacons, are on file in state offices, as are also certain other data.

The first name in the list of churches is usually the name of the town or city in which the church is located. This is also the name of its post office unless followed by a name in heavy type. If this postal word is an adjective it goes with the preceding name, e.g., Newton, West, signifying West Newton.

Abbreviations in schedule headings are:

"Ord." - Ordained

"Cld." - Called

"Ab." - Absentee

"C." - Confession

C.H.E.F. - Christian Higher Education Fund

Reference marks are used as follows:

- a Abstained from voting
- c Church School membership includes Cradle Roll
- i Pastor installed by Council
- r Pastor recognized by Council
- x Not enrolled as United Church of Christ minister according to Conference Reports, except for Central South, Hawaii, Missouri and Puerto Rico, in which cases minis-

terial standing in the United Church of Christ is reported according to records in the office of the Secretary.

- y Pastor serves more than one church. (See list of yoked churches in Conference Summary.)
- No answer can be given
- * Value of church property includes parsonage
- ★ Per Capita (based on total membership) paid in full by church

A pastor's name italicized signifies that he is not in full standing as a Congregational Christian minister, nor a denominational licentiate, nor an approved lay preacher, nor a candidate in care of a local association.

||When a church has made no report, figures from the previous Year Book are inserted for Total and Absent Members, Average Attendance, Church School, Young People's Organizations, Home Expense and Property Value and marked with || before Total in Members' Column of the statistical report.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Church School, choir and parish.

The Value of Church Property is given in thousands or more, i.e., 12 = twelve thousand; 1,500 = one million five hundred thousand.

The Woman's Gift is included in the apportionment columns of each state. The apportionment figures in the schedules are those reported by the state treasurers.

A Conference Summary will be found at the conclusion of each Conference Schedule. A Comparative Table by years, from 1863 through 1960, will be found following the last conference schedule.

For last minute revisions see page following Ministers in Full Standing list.

Send change of address and pastorate to your Conference and to the Secretary of the United Church of Christ, 297 Park Avenue South, New York 10, N. Y.

Note B: In order to provide cash to pay the grant mentioned in the Note C, it was necessary to liquidate the 54,816 Units of Participation in which the Unrestricted Funds were invested. These Units cost the General Council \$70,000, and they were liquidated in January 1962 at the then market value of \$80,503.87. This was recorded as a late 1961 transaction, thus: the Unrestricted Funds were eliminated and transferred to Unrestricted Reserves at the liquidation value of \$80,503.87; and the capital gain of \$10,503.87 was carried as a receivable over the year end. In January 1962, the investment in Units was reduced by 54,816 Units, to 29,782 Units with a book value of \$27,315.64.

Note C: Early in January 1962, the Unrestricted Reserves were reduced by \$150,000.00 when that amount was paid as a grant to the United Church of Christ in accordance with the following Resolution voted by the Executive Committee at its meeting in November 1961. (Vote 61-11-E8)

Whereas the General Council has on hand unrestricted general funds which may be used for the purposes, aims and program of the General Council, and Whereas the General Council will receive from Congregational Christian churches per capita fellowship dues for the years 1961 and 1962 which may be used for the purposes, aims and program of the General Council, and Whereas among the aims, purposes and program of the General Council is the defense of local churches which have been or may in the future be sued in connection with matters arising out of the union of the Congregational Christian Churches with the Evangelical and Reformed Church, and Whereas by vote number 61-6-BC2 the General Council acknowledged its obligation to commit its resources to the financial aid to local churches which are sued in connection with the aforesaid union and requested the General Synod to support the General Council's obligations in this respect, and Whereas the General Council has transferred to the General Synod of the United Church of Christ all of its functions except those which must be retained for legal reasons, and

Whereas the United Church of Christ will, after January 1, 1962, bear the expenses of most of the program heretofore carried on by the General Council, and

Whereas the Executive Council of the United Church of Christ on October 31, 1961, voted 61-10-EC-48:

"Resolved that the Executive Council assumes on behalf of the United Church of Christ, in such cases and to such extent as it may deem appropriate, full responsibility for the furnishing of legal assistance and financial aid to member churches, acting Conferences and acting Associations, which are or may become involved in litigation arising out of their affiliation with the United Church of Christ.

"Be it further resolved that the Executive Council authorizes and empowers its Chairman, in consultation with the President and giving full weight to the personnel of the Litigation Committee of the General Council of the Congregational Christian Churches and their experience in the present litigation occasioned by the union, to appoint a United Church Litigation Committee representative of the united constituencies, the duties of which committee will be to implement the provisions of the first paragraph of this resolution."

BE IT RESOLVED that the Executive Committee grant \$150,000 payable in 1962 from the unrestricted reserves of the General Council as of January 1, 1962 to the General Synod of the United Church of Christ to be used at the discretion of the Executive Council of the General Synod.

As at January 1, 1962, the United Church of Christ assumed the financial responsibility for this service. The amount reserved for 1962 was, therefore, not needed by the General Council and was returned to the C.C.S.C. in February 1962.

Note E: Several of the Funds and Reserves listed in the report for 1960 do not appear in this report for 1961. They have been disposed of as follows:

Reserve for meeting of World Council, 1961, was applied toward the Travel cost of delegates to New Delhi. (see Note J)
Reserve for Expenses of Delegates to International and Interdenominational meetings, being no longer needed, was transferred to Unrestricted Reserves.
Reserve for Biennial meeting was applied against the cost of the meeting in Philadelphia. (see Note K)
The Denison bequests were transferred to the United Church of Christ to be used in 1962 by the organizations continuing the work of the two Commissions for which the bequests were designated.
Unrestricted Funds, were transferred to Unrestricted Parameters.

Unrestricted Funds, were transferred to Unrestricted Reserves, (see statement of Unrestricted Reserves and Note B)

Other Funds, were applied toward cost of printing Year Book. (see Note I)

Note F: Restricted Funds "A" and the 29,782 Units in which they are invested represent two bequests, the principal of which may not be used, received originally by the Christian Convention and later transferred to the General Council. They are as follows:

CONSTITUTION, BY-LAWS AND STANDING RULES OF THE GENERAL COUNCIL

As Amended at the Meeting Held in Philadelphia, Pennsylvania June 29-July 2, 1961

The Congregational Christian churches of the United States by delegates assembled, reserving all the rights and cherished memories of their historic past and affirming loyalty to the basic principles of unity and democracy in church polity, hereby set forth

the principles of Christian fellowship immemorially held by these churches.

We hold sacred the freedom of the individual soul and the right of private judgment. We stand for the autonomy of the local church and its independence of ecclesiastical control. We cherish the fellowship of churches, united in district, state and national bodies for counsel and cooperation. Affirming these convictions we hold to the unity of the Church of Christ, and will unite with all its branches in fellowship and hearty cooperation; and we earnestly seek that the prayer of our Lord for the unity of his followers may be speedily answered.

We find in the Bible the supreme rule of faith and life, but recognize wide room for differences in interpretation. We therefore base our union upon the acceptance of Christianity as primarily a way of life and not upon uniformity of theological opinion

or any uniform practice of ordinances.

United in these principles and in accordance with the Plan of Union adopted by their national bodies in 1929, the Congregational and Christian Churches in general council assembled agree in adopting the following constitution.

CONSTITUTION

I. Name

The name of this body shall be The General Council of the Congregational Christian Churches of the United States until such time as a more inclusive name shall be chosen.

II. Purpose

The purpose of the General Council is to foster and express the substantial unity of the Congregational Christian Churches in faith, purpose, polity and work; to consult upon and devise measures and maintain agencies for the promotion of the common interests of the kingdom of God; to cooperate with any corporation or body under control of or affiliated with the Congregational or Christian churches or any of them; and to do and to promote the work of these churches in their national, international, and interdenominational relations, and in general so far as legally possible to perform on behalf of the united churches the various functions hitherto performed by the National Council for the Congregational churches and by the General Convention for the Christian churches, it being understood that where technical legal questions may be involved the action of the separate bodies shall be secured.

III. Membership

1. VOTING MEMBERS

(a) Delegates-at-large. Each State or District Conference or Convention shall be entitled to one delegate-at-large for the first full 10,000 members, and also one additional delegate-at-large for each successive 10,000 members or major fraction thereof. Each

State or District Conference or Convention shall determine by vote at an annual meeting the method of nomination and election of its own delegates-at-large.

(b) In addition, the superintendent, minister or chief executive of each Conference

or Convention shall be a full delegate to the General Council meeting.

(c) Association Delegates. The number of delegates and alternates to be elected by each Association shall be determined in the following manner: Each church in the Association shall have the privilege of nominating a delegate from which group of nominees each Association shall elect one delegate for each 5,000 members, or major fraction thereof. Each Association shall be entitled to at least one delegate. Delegates elected by the Association shall be certified by the Conference.

In the choice of delegates from the churches in the Association a pattern of rotation shall follow wherever possible so that no delegate will ordinarily serve in that capacity at successive General Council meetings; but in circumstances that make it appear that the Conference and Associations would be better represented by allowing a delegate to

succeed himself such succession is permitted.

When an Association is entitled to five or more delegates not more than 60 percent of its delegation shall be ministers, and not more than 60 percent lay members. There shall be equitable representation of men and women.

Any licensed or ordained pastor regularly serving a Congregational Christian church and approved by the Association shall be eligible to be elected a delegate in the minis-

terial category.

If an Association fails to elect its full proportionate number of delegates, the Conference or Convention or its board of directors at a duly called meeting may fill vacancies in that Association's delegation according to the rules set forth above. If the Conference or Association does not have its full delegation seated when the General Council convenes, it shall if possible be completed by vote of the delegates of the Conference or Convention according to the rules set forth above. If no one of the proper classification is available from that Association then the vacancy may be filled from some other Association or classification in the Conference or Convention by vote of the delegates of the Conference or Convention present twelve hours thereafter.

In case a Conference has no Associations, it shall be allowed delegates to the number

it would have if it were both a Conference and an Association.

The superintendent, minister or chief executive officer of each Conference or Convention who is present shall be the convener of his Conference or Convention delegation.

(d) Any delegate who shall remove his active membership from a church of the Conference or Association by which he has been elected shall be deemed by that fact to have resigned his membership in the Council, and the Conference or Association, as the case may be, may proceed to fill the unexpired term as previously provided for.

(e) A representative of each college and theological seminary recognized by the General Council as affiliated with or cooperating with it, and editors of national church periodicals, ogether with the moderator or moderators and assistant moderators, the members of the Executive Committee of the General Council, the secretaries and treasurer of the General Council, and the national presidents of the Laymen's Fellowship, the Women's Fellowship and the Pilgrim Fellowship, shall be voting members ex officio.

2. Honorary Members. Former moderators, associate moderators and assistant moderators o the General Council and the National Council, former presidents and vice-presidents of the General Convention, superintendents of City Societies, ministers serving the churches entertaining the Council, persons selected as preachers or to prepare papers, or to serve upon committees or commissions chosen by the Council, missionaries present, who are in the service of the American Board of Commissioners for Foreign

Missions, and have not less than five years in that service, or in similar service of the Christian Church, executive officers of national missionary societies whose scope of responsibility is co-extensive with the nation, may be enrolled as honorary members and shall be entitled to all privileges of members in the meeting of the Council except those of voting and initiating business. Any person appointed by a national missionary society as a corporate member shall have the right to the floor when matters affecting that society are under discussion.

3. EGUMENICAL MEMBERS. Every communion connected with the National Council of the Churches of Christ in the United States of America, together with such other communions as may be named by the General Council, may be represented by two delegates, who shall have the status of ecumenical members and as such enjoy all the

privileges of members except that of voting.

4. Corresponding Members. OTHER PASTORS (NOT MEMBERS OF ASSOCIATIONS OR CONFERENCES)

AND

LICENTIATES

List of pastors who have been reported as not having full ministerial standing. A few states report men who have been "approved as lay preachers." The list also includes the names of all licentiates reported by state registrars, whether or not they are serving churches, as well as candidates for the ministry, who are in care of a local Association. The Association, to which a Congregational Christian licentiate, candidate or lay preacher belongs, may be had upon application to the Year Book Department, 297 Park Avenue South, New York 10, N. Y., or to the state conference office.

Abbreviations are as follows:

CONGREGATIONAL CHRISTIAN MINISTERS IN FULL STANDING

(Also Enrolled as Ministers of the United Church of Christ)

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational Christian ministers and churches. (Local ministers with limited ordination will be found at the end of this list.)

The following is a compilation of the lists furnished by the Conference registrars. Although not reported by a conference or convention, a few names are retained in this list to allow for completion of transfer of membership from one holding body to another. We endeavor to print the latest information and change of address, as given in this list, up to time of printing, Because the schedules are processed well in advance of this list, some of the addresses will not coincide with the location shown in the schedules.

Information regarding pastor will be found in the appropriate place in the state report; refer to state and place. If a pastor does not appear in the schedule of the state in which he lives, he may have made a recent change in pastorate. (See Last Minute Revisions following local ministers.)

Ministers have been placed in one or another classification. The classifications follow:

Pastor of a local church — (co-pastor also p)
All other ordained personnel on church staff, whether associate, assistant, religious education, or any other
Pastor emeritus Church-related ministers: p as p p om Secretaries: Secretary — full time officers of Congregational Christian boards or agencies (not conference or local church) Conterence-related ministers:

*In order to have a classification for every minister there are some in this group who may be without a charge. This group may also include women ministers who are not at the present time in pastoral or religious work, yet they are not considered restired.

x before pastors name indicates not enrolled as a minister of the United Church of Christ, according to Conference Reports except for Central South, Hawaii, Missouri and Puerto Rico, in which cases ministerial standing in the United Church of Christ is reported according to records in the office of the Secretary. Three Generations of Craftsmen In Stained Glass Church Windows

245 Years of Service

Caring Is Sharing

Everyone is interested in sharing, or so they say.

Far too many are obsessed with a passion to share the wealth. This idea, not bad in itself, would remain impressive if it were extended to sharing the health, and other such benefits. Sharing ought to cover all the best gifts.

The Presbyterian Ministers' Fund knows that it cannot relieve its friends of all their burdens. "Every man must bear his own burdens". But it does earnestly feel that sharing burdens is not only possible but mandatory.

So it seeks to share, in facing possible crises, in helping to ease the strain of the widow, and in assisting in educating the children. Its calling is to share in the wisdom it has acquired in 245 years of service. But it also shares the wealth by providing wonderful dividends.

Seek to ease your burdens. We need only your word to start the machinery.

AN INTERDENOMINATIONAL FELLOWSHIP PROVIDING ALL KINDS OF LIFE INSURANCE

The Mutual Fire and Storm Insurance Company of Burlington, lowa, has, for seventy-two years, served the congregations, Institutions, pastors and members of the Evangelical and Reformed Church. During these years has saved its policyholders many dollars in insurance premiums. The company has at all times paid its losses promptly and to the satisfaction of its policyholders All policies are nonassessable.

The company invests all surplus earnings in government and municipal bonds and other approved investments for the protection of its policyholders. All amounts over and above our retention are reinsured with other reliable companies, this also provides additional protection for both the company and its policyholders.

The merger between the Congregational Christian Church and the Evangelical and Reformed Church has brought about a larger field for our company to serve. We invite the Congregational Christian Churches, institutions, pastors and members to avail themselves of our liberal rates and protection. We especially invite the pastors to give us an opportunity to let us tell them about the rates and policy we have for the pastors.

All inquiries will be cheerfully answered when writing to the secretary, J. Milton Rasche.

Happy Children!

Recently, a day of joy and fulfillment came to the Evangelical Children's Home with the Dedication of the new multi-purpose building so long in the planning.

It is worthy of note, and a source of pride, that under the most trying conditions, during the razing and construction period, both our direct child care service program and our special services through consultation and interviews, moved along effectively.

Now, with increased facilities, we are able to give more intensive service to more children and their families and give opportunity for a fuller expression by friends and congregations of their love of the Lord.

We invite you to stop in and visit this beautiful new building. The Home is a benevolent institution of the United Church of Christ and we ask that you remember that we depend largely upon your bequests and estate gifts for our existence.

QUESTION:

What is the unique ministry of Caroline Mission, Fellowship Center

and Plymouth House?

ANSWER:

These three separate agencies of the church serve people of the inner city, the poor, the sick, the broken in spirit, the hostile, the

dejected and the defeated.

QUESTION:

Do you have a congregation and church school?

ANSWER:

Yes, two of the missions do. In addition many other services are offered such as: family counseling, probation and parole work, camping, organizing neighborhood projects, helping young people and adults learn to live together in peace and in joy.

QUESTION:

How can I help?

ANSWER:

Your gifts and prayers make it possible to continue the bringing of God's love to these neighborhoods of darkness and hate.

QUESTION:

Can I remember all or one of the agencies in my will?

ANSWER:

Bequests are encouraged because they help undergird the whole program and insure the continuous outpouring of God's love to thous-

ands of needy persons.

QUESTION:

Where can I get further information?

ANSWER:

Write to Reverend Louis V. Huber, the administrator of all three

agencies, for further information.

Andover Newton Theological School is an affiliation of Andover Theological Seminary, the oldest Congregational seminary in America (founded 1807) and The Newton Theological Institution (founded 1825). The School is located at Newton Centre within seven miles of Boston and Cambridge. The affiliation of the two schools in 1931 brought together their combined financial resources, libraries and faculties, providing excellent library facilities, and an outstanding faculty. These items, together with the location in greater Boston, make unusual advantages available for theological students interested in taking their professional study in New England.

Andover Newton Theological School has a student body, including its summer school, of more than 300. These students have the opportunity of taking specialized courses in Harvard Divinity School and Boston University School of Theology without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country, As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country, but from all over the world.

Andover Newton Theological School's endowment, in excess of five million dollars, together with contributions from churches, friends and alumni, in excess of one hundred thousand dollars annually, make it possible for this seminary to underwrite approximately \$1,500 of each student's expenses. Therefore, charges to students for board, room and tuition are most reasonable. In addition to underwriting each student for \$1,500 expenses, scholarship grants are made on the basis of need and academic excellence. Neighboring churches offer field work opportunities which further assist the students with their costs and at the same time provide practical experience. Six dormitories, all new or modernized, provide apartments for married students and rooms for single men and women.

The School grants three degrees: B.D., S.T.M., and M.R.E. The B.D. is granted ordinarily after three years of study and one year of internship; this degree is also granted after three years of study and the writing of a thesis. A Greeting from the President

of the Corporation of the

EVANGELICAL AND REFORMED CHURCH

JAMES E. WAGNER

PONTIFEX MAXIMUS is one of the titles I now given to the head of the Roman Catholic Church. It was appropriated from similar usage in the old pre-Christian Roman religion in which a group of "pon-tifices" headed by a "pontifex maximus" regulated the conduct of all religious affairs.

A "pontifex" was, literally, a "builder of bridges"; the "pontifex maximus" being the "chief builder of bridges."

It is a good word to suggest the big task now confronting the members, ordained and unordained, in both constituencies of the United Church of Christ,—a task to which Evangelical and Reformed people

which Evangelical and Reformed people will be bringing their best from now on.

They must be "builders of bridges," finding ways to make real and effective the fellowship of the United Church. The adoption of the Constitution and By-Laws and the formal unification of program, procedures and budget only provided, so to speak, a house for the new family, the machinery by which things can get done. can get done.

Now the house must be lived in, the machinery must be got moving by willing hands and powered with the resources made available by the many, many others whose hands may not be directly in touch

with the machinery itself.

To this end, and to revert to the earlier figure of speech, we all must be building

There must be a bridge of self-discipline, on which we will ask ourselves, Where can I best participate actively in the work of the United Church, especially in the local church to which I belong?

There must be a bridge of stewardship over which we can carry into the United Church more of what we possess and the

Church more of what we possess and the best of what we are since the United Church can be strong, humanly speaking, only as each of us in it helps to make it

There must be a bridge of study through which we take time, in reading, in church school, in the hour of worship, in conference and workshop, to learn what the United Church is and is attempting to do, and to become more fully informed of the traditions which Congregational

Dr. Wagner

Christian people bring now to supplement

There must be a bridge of devout imagination as we deliberately and steadfastly seek to quicken our sense of kinship with the people of God everywhere, and come to realize that, far more truly than most of us are aware, the gospel has been pro-claimed "to the uttermost part of the earth" (Acts 1:8) and that, in the language of Revelation 7:9, we belong to "a great multitude, which no man could number, of all nations, and kindreds, and peoples, and tongues."

There must be a bridge of daily commitment by which we authenticate in office and shop, in classroom and market, in family circle, in club and community life, the standards of faith and conduct to which we subscribe on Sunday morning

at eleven.

There must be a bridge of prayer,—private prayer, prayer in the congregation,—for the officers of the United Church and the staffs of its instrumentalities, for pastors and teachers, for editors, for adminis-trators of its institutions, for chaplains and missionaries at home and abroad, for ex-ecutives of its acting Conferences, and for the two million fellow-members of this one family in the household of God.

For only as, with all our doing and giving, we "lift up holy hands" (I Timothy 2:8) in prayer, can the United Church move forward (Zechariah 4:6) "not by might, nor by power, but by the spirit" of

the living God.

Corporate Titles of the Boards and Educational Institutions

of the Evangelical and Reformed Church

HEREWITH are given the corporate or charter names, together with the headquarters addresses, of the Boards and educational institutions of the Evangelical and Reformed church.

This information has been secured from the executives of these agencies by Dr. John W. Mueller, Counselor of the Church, and the editor of the Year Book in response to numerous requests from persons who had need of it in connection with writing wills or drawing up other legal papers.

The words "of the Evangelical and Reformed Church" should be added to the title of each Board. In cases where educational institutions are familiarly known by a popular name instead of by the corporate title this popular name is shown in parentheses.

The addresses given are those of the executive offices of the Boards and educational institutions listed.

The post office addresses of the ordained ministers as well as those of the appointees have again been included. They are worthy of close study on the part of everyone. The names in italics after the addresses of the missionaries represent the stations at which they are working. These names are not part of the post office addresses.

Deceased Ministers of the Church

From January 1 to December 31, 1961

To Him who is Lord and Head of the Church we give praise and sing our gratitude for all whom He calls into the glorious work of the Christian ministry. For those who answered His call to labor in His vineyard and who now have laid down their earthly tasks to enter into the joy of eternal life we give thanks. These, our brethren in Christ, are one with us forever. Their joy is made full; they know surely what we can comprehend only by faith. They stand in the very presence of God.

Our constant prayer is that many will enlist in God's holy service and fill the empty places left in the ranks by those who have received the crown of life.

Directors of Christian Education and Commissioned Workers

The names and addresses of the Directors of Christian Education and other professional workers performing a ministry of Christian education in Evangelical and Reformed Churches are listed herewith. This is the listing made available by the Department of Educational Program as of February 1, 1962.

Persons listed are qualified either by graduation from a recognized seminary with a degree of Master of Religious Education or a comparable degree, or by graduation with an A.B. degree from a college with a major in Christian education and/or service in a church for a period of years.

Eligible persons whose names do not appear here should inform the Division of Christian Education of their status. Additional information may be secured by addressing the Division of Christian Education at 1505 Race Street, Philadelphia 2, Pa.

Commissioned workers other than those listed under "Directors of Christian Education" or those whose names appear under "Names and Stations of Missionaries" are listed herewith. Every effort has been made to make this listing as accurate as possible.

To these dedicated servants of the Church who labor in the name and spirit of Christ we express our gratitude.

Location of Churches

The location of every congregation of the Church is listed. Where the detailed location is missing that information was not reported on the statistical blank.

The name of each congregation is exactly as reported by the pastor. It is presumed that this is as the congregation is designated in its charter. For example, we find Saint John, Saint Johns, and St. John's.

Please send notes of any error immediately to The Rev. Fred S. Buschmeyer, Secretary, 297 Park Avenue South, New York 10, N. Y.

The surname and initials of the pastor appear after the name and address of each church. Reference to city, town, or state in the "Register of Ministers" will further establish identity. The title "Rev." and all degrees are omitted from this section.

CONGREGATIONS 1961 STATISTICS OF

The asterisk(*) designates congregations which are affiliated and not in full membership with the Evangelical and Reformed Church. The symbol # indicates that congregations so marked returned no statistical report for 1961 and that the statistics used are those of a previous year, in cases where they are available. These congregational statistics went to press in April. Therefore, some of the pastors whose names appear are not the present incumbents. A more accurate complete listing appears in the Rosters of the Synods.

Indicates communities in areas classified by the United States Census Bureau as STANDARD METROPOLITAN STATISTICAL AREAS; "B" indicates communities not assified as STANDARD METROPOLITAN STATISTICAL AREAS; 1 — population over 50,000; 2 — from 25,000 to 10,000; 5 — from 2,500 to 5,000; 6 — from 1,000 to 2,500; 7 — under 1,000; 8 — open country.

Standard Metropolitan Statistical Areas

Listed below are the Standard Metropolitan Statistical Areas, prepared by the U. S. Bureau of Census, For easy reference the list is arranged according to states and the counties within each state which make up the Standard Metropolitan Statistical Areas. Counties starred (*) contain Evangelical and Reformed congregations.

In order that the sociological data-occupation, age race, etc.-reported by the census concerning these area may be related to the church, it is proposed that in subsequent annual congregational reports, churches report their location by counties making up the Standard Metropolitan Statistical Areas.
